WELCOME...

...to Carpet Binding 101. The Bond team has been serving the carpet trade for 65 years. This is your one-stop source for everything you need to finish and bind carpet. In addition, we have many specialty products that are custom designed to meet the needs of carpet mechanics, workrooms and Do-It-Yourself customers.

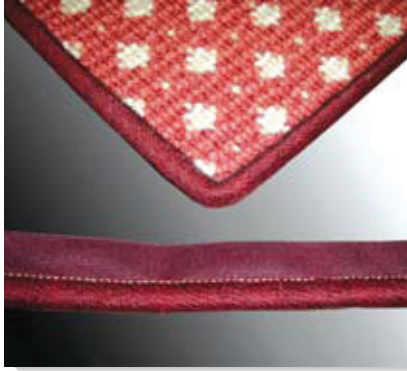

Our experienced staff will assist you in selecting the right products for your job: Cutting and binding machines, carpet binding tapes in a wide variety of styles and colors, and serging tape for use with our binding machines. Also, carving machines for sculptured area rugs, and sundry tools and products necessary for completion of your tasks. Look to Bond for all your carpet-related needs!

“Because every hard floor needs a beautiful area rug!”

CARPET BINDING 101

START HERE...

Method No. 1 - Instabind

This is the fastest, least expensive way to get started.

This method requires the lowest initial investment in tools, yet it offers several different styles: Binding, serging, or the nautical rope look. Installation of binding can be done at the job site.

Method No. 2 - Portabind

This method requires a moderate investment in equipment (a portable binding machine) but a lower ongoing cost of binding material. It offers a wider range of colors for accurate matching, and 3 basic looks (binding, serging and wide binding).

Method No. 3 - Stationary or Factory Binding

This method is used for high-volume, production type work. It requires a substantial capital investment for heavy duty machines, rollers or air tables that are not taken to the job site, but remain at the binding shop.

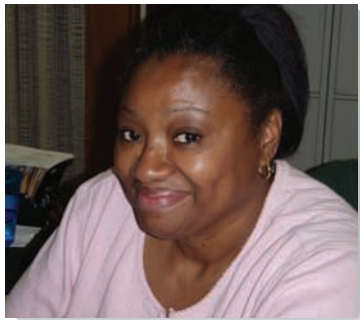

The following pages will explain, in greater detail, precisely what tools, equipment and supplies are needed for each binding method. There will be many options or check points to consider, depending upon the size and scope of your carpet binding needs and your method of doing business. You, the customer, are in the best position to decide what method fits your operation and your budget.

MEET THE BOND TEAM!

As we celebrate 65 years of family owned and operated business, we want to thank you for considering Bond Products. Our goal is to provide professional quality products and services while maintaining a down to earth, customer friendly environment that will keep you coming back year after year. We appreciate our customers and look forward to earning your business!

BOBBINLESS PORTABLE BINDERS

**Model PBB-2x
Portable Bobbinless Binder
4 x4 Double Puller (STK#21105X)**
Fastest, most powerful, heaviest duty portable available! Never change another bobbin, bind carpet base using the optional cove guide, or just blast through pluses and heavy berbers with ease using 1 1/4 inch tapes. Use our 1 1/4 serge tape folder and Style 250 tape and turn it into the fastest portable serger ever made.

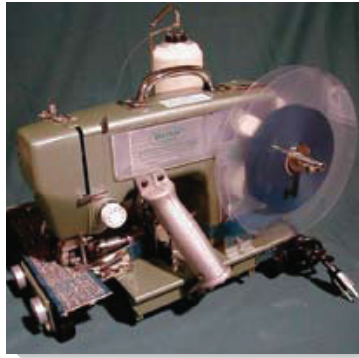

**Model PBB-1X Portable
Bobbinless Binder Variable
Speed Single Puller (STK#21103X)**
Bobbinless Portable "No Bobbin Required". High Speed/Variable Speed "Fingertip Control". Extra Heavy Duty Construction. Runs various tape widths. Self oiling and cleaning. Lightweight and portable 110 volt, 60 watt, 8000 RPM heavy duty motor. Binds up to 30 feet per minute. 90 day limited warranty.

PORTABLE BINDERS

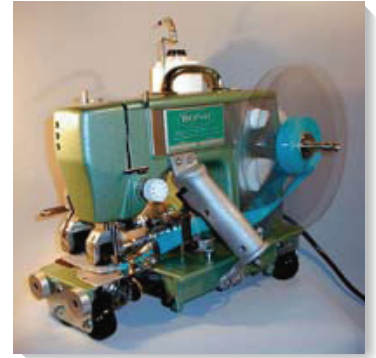

PORTABLE BINDERS

Model PBL-TX Wide Tapestry Binder (STK#21140X)
Applies custom wide tapestry borders. Walking foot puller system, fully adjust-able for blind stitching up to 7-1/2 inches width.

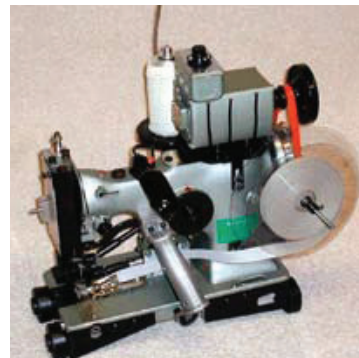

Model PBL-IX Single Puller Portable Carpet Binder (STK#21101X)
Industry standard, built to last. Binds up to 3" width in a single pass with optional attachments. Fully adjustable zigzag to straight stitch with the turn of a knob. Four caster wheels and two float wheels for stability and ease of operation.

Model PBL-2X Double Puller Portable Carpet Binder (STK#21102X)
Two clutches and puller wheels along with four caster and two float wheels make this the "four wheel drive vehicle of choice" for binding your heavy plush and berber carpets. Independent lifting of rear puller for radius work.

Table Mount for Portable PBL Models (STK#21011)
Complete table setup includes light stand, thread stands, and foot pedal for hands free operation. Some assembly is required, can ship UPS.

Model HDP-2 Heavy Duty Portable (STK#21405)
Our TMB table model head is converted to be the most heavy duty portable available. Lock stitch bobbin machine with double pullers and speed control. Designed for workrooms in mind (weighs 70 lbs).

BondBilt Turf Binder Seam Sewing Machine (STK#21550X)
Complete with cart, motor and compressed air blower hook up and built on a heavy duty Union Special head. Used for artificial turf installations when seam sewing is required.

TABLE BINDERS

Model TMB-1 Double Puller Binder & Fringer (STK#21401)
Table model zigzag lock-stitch double puller carpet binder & fringer. Binds 12-18 yards per minute and up to 4 inch widths with optional single pass folder.

Model BBL-1 Bobbinless Single Puller (STK#21602X)
High speed, self lubricating and built to last, our BBL-1 is what you need for commercial base work and high volume commercial grade area rugs.

Model BBL-2 Bobbinless Double Puller (STK#21604X)
Same as BBL-1 but with double pullers and able to bind heavy rugs with ease. All bobbinless machines are straight chainstitch and built on top quality Union Special heads.

Model HDB 1 & 2 Heavy Duty Berber/Sisal Binder (STK#21904X, STK#21904-2X)
Available in either single or double puller models, you can't find a heavier duty machine. Custom window blinds manufacturers table available for edging rolled bamboo shades.

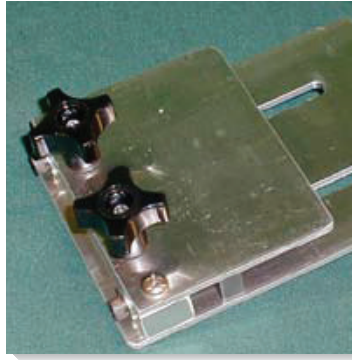

Model HDS & HDSB Heavy Duty Serger (STK#21990X, STK#21990BX)
Heavy duty wrap around table serger with binder. The most heavy duty serger on the market, bar-none. Uses one spool of tex 210 bonded nylon and the serging yarn of your choice. Bind and serge in one pass operation.

Also available without the binding attachment. Complete with table, motor, and thread stands, etc. Built on another quality Union Special head and backed by over 65 years of family owned & operated craftsmanship. Charge 3-4 dollars a foot and up for unmatched profits. Truck shipments only.

BINDER ACCESSORIES

Foot Control & Switch Assembly (STK#PBL785)
Convert your portables into a table model operation for hands free operation.

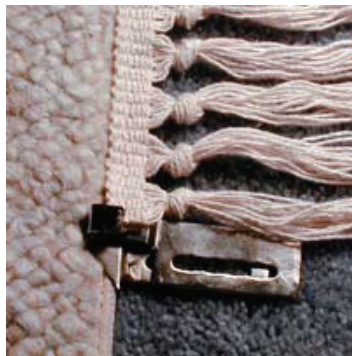

Base Attachment for PBL & PBB Models (STK#PBL707BA)
Adjustable to six inches, spring loaded carpet base guide easily mounts to your portable binder. Also available for table mount binders, call for pricing.

Wide Sisal Tapestry Guide (STK#PBL778WG)
Available for portable and table models, our tapestry guide is used to blind stitch wide tapestry borders onto carpets for unmatched profits and design.

Custom Tape Folder Attachment
Standard $\frac{3}{4}$, $1\frac{3}{16}$, $\frac{7}{8}$, $1\frac{1}{4}$, or 3 inch widths, with various clean top and double turns, we have single pass custom made folders available for your specific machine and applications.

Fringe Guides (STK#PBL707FG)
Adjustable fringe guide for your machine. Specify make and model when ordering.

New Serge Tape Folder (STK#PBL777STS)
Use with our new Bond Style 250 $1\frac{1}{4}$ " serge tape. Now turn your binder into a serging machine!

Note: A long shank needle is required to use this folder on portables.

PORTABLE CARPET COVE CUTTER

Six Blade Portable Carpet Cove Cutter Model PCC-6 (STK#21666)

All new portable 6 blade carpet cove base cutter Model #PCC-6. At four inch cuts you can cut six carpet strips in record time. Over 5000 feet in less than three hours! With our unique easy access lid you can easily adjust the width of cut and sharpen the blades. Start with a straight edge and simply push it along the carpet length.

ACCESSORIES

Blade Sharpener for Model PCC-6 (STK#21666S)

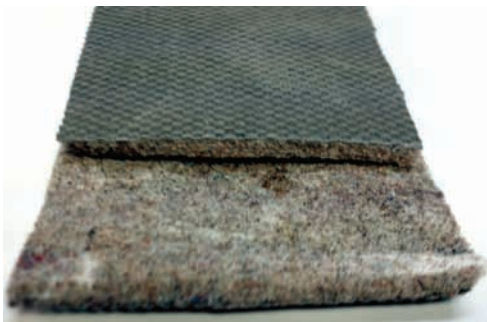

Now sharpen blades without removing them with our new 6 blade cutter sharpening tool. Keep your carpet cove cutter razor sharp on the fly!

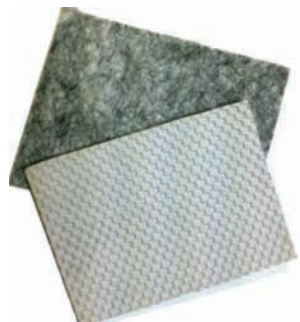

Cove Base Winder Kit (STK#21907K)

Available as a kit with drill & carry case or just the attachment (STK#21907A \$19.95/ea). Guaranteed to save you lots of time & energy winding your carpet base. If purchasing just the attachment, you'll need a variable speed drill to use this tool. (Otherwise you'll risk twisting your arm off!) Even mixes paint.

RUG BACKING

Premium Rug Underlying Option (STK#RWPI2X60)

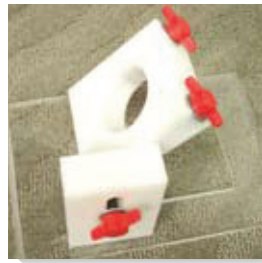

Secondary Felt Rubber Backing Option (STK#02GFELT)

Monk's Cloth Backing Option (STK#10MONK)

RUGMAKING TOOLS AND ACCESSORIES

Guide Plate

POLYESTER BINDING TAPES

Bond Style 425 Texturized Polyester 13/16" Width (STK#07008)

Texturized polyester for a high quality "cotton" look and feel. Available in 110 colors from stock, put on 72 yard rolls, two rolls per package.

Bond Style 425 Texturized Polyester 1-1/4" Width (STK#07012)

Texturized polyester for a high quality "cotton" look and feel. Available in 110 colors from stock, put on 72 yard rolls, two rolls per pack-age. Use with a "clean top" 1-1/4 folder attachment for woven edge cotton look (Stk #PBL-777CT).

COTTON BINDING TAPES & SERGING YARN

"NEW" Bond Style 250 Serging Tape 1-1/4" Width (STK#PBL777STS)

Now turn your carpet binder into a serging machine with our dual purpose 1-1/4 inch width 100% cotton tape on 36 yard rolls. Sixty colors available from stock (order from our Bond 400 cotton card and specify serge tape when ordering - ie.S102). Dual purpose because you can use this tape for regular cotton binding by reversing the edge being applied. All that's required is our 1-1/4 inch serge tape folder (STK#PBL777STS) folder attachment. Custom dyed to match colors are available, call for quote and minimum requirements.

Bond Style 400 Woven Cotton 1-1/4" Width (STK#29014)

Twill weave heavy duty 100% cotton tape with starched finish for easy application and pressed look. Sixty colors available from stock from our style 400 cotton chart. 72 yards per roll / 2 rolls per package (1 gross yard). Custom dyed to match colors are available, call for a quote and minimum requirements.

Bond 400 3/4" Woven Cotton (STK#29008)

Twill weave cotton with starch finish for easy application and pressed look. Available in 3/4 inch width. 2 x 72 yd rolls per 1 gross pkg. Sixty stock colors available from our style 400 cotton chart.

Bond Smooth Cut Scissors (STK# Shears 08; 10; 12)

Available in 8, 9, 10, and 12 inch sizes. Razor sharp, excellent quality!

"NEW" Cotton Serge Yarn

Available in 50 of the latest earthtone colors and comes on approximately 1.25 lb cones. We also offer this as our DIY Instabind "cotton serging style" on 54 and 216 ft. rolls. See pg. 17 for details.

Bond Style 290 Woven Cotton Sisal Binding 3" Width

Our 3 inch woven cotton binding is put on 72 yard rolls and has a light sized finished for a pressed finished look. Thirty colors available from stock, custom dyed to match colors are available, call for a quote and minimum requirements. Apply with a single pass folder (STK#PBL778SF) or blind stitch on for a wider look.

Bond Style 295 Woven Cotton Sisal Binding 5" Width

Our 5 inch woven cotton binding is put on 50 yard rolls and has a light sized finished for a pressed finished look. Eleven colors available from stock. Custom dyed to match colors are available, call for a quote and minimum requirements. Blind stitch on using our wide tapestry guide (STK#PBL778WG).

Easy DIY Installation:

- Size & prepare your carpet with a clean cut edge.
- Peel & stick Instabind to underside of carpet perimeter– adjust as necessary.
- Apply hot glue bead between carpet edge & Instabind tape (we recommend using a long nozzle tip– STK#IBNOZZLE).
- When turning corners or circles, simply make a relief cut in the bottom tape flange and bend tape as necessary.
- Finish by sealing the backside flange with hot glue to permanently secure the tape.
- Enjoy beautiful results!
